### CITY OF DUBLIN APPOINTS NEW ADMINISTRATIVE SERVICES DIRECTOR

**DUBLIN, Calif., April 9, 2013** – Following a nationwide recruitment, Dublin City Manager Joni Pattillo has appointed Colleen Tribby, Assistant Director of Finance for the City of South San Francisco, to the position of Administrative Services Director. Ms. Tribby fills the vacant position created when Paul Rankin retired as Administrative Services Director in December 2012.

"I am pleased to announce the appointment of Colleen Tribby as the new Administrative Services Director for the City of Dublin. We are fortunate that the search resulted in the appointment of an individual with strong financial and project management experience in local government, and who is familiar with the Bay Area," said City Manager Joni Pattillo. "Her educational background, combined with years of professional public and private sector experience, makes her the ideal person to work on the current and future fiscal issues for the City of Dublin."

Ms. Tribby has worked in various public and private positions, most recently with the City of South San Francisco. She has an undergraduate degree in Literature and Philosophy, graduating *Cum Laude* from Claremont McKenna College and a Master's Degree in Business with an emphasis in International Marketing and Finance from the European School of Economics, Italy. While at Claremont, she was a member and Captain of the NCAA Division III Women's Basketball Team. She has been with the City of South San Francisco since 2005.

Ms. Tribby said of her appointment: "I am honored to join an organization where the leadership – from the City Manager to the City Council – has placed such a high value on sound fiscal management and excellent service delivery to its residents and businesses."

Ms. Tribby will begin as Dublin's Administrative Services Director on April 29, 2013.
